Mailstop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

**PETITION FOR REVIVAL OF**  
**UNINTENTIONALLY ABANDONED APPLICATION**  
**UNDER 37 C.F.R. 1.137(b)**

Applicant respectfully petitions, through his attorney of record, the Commissioner of Patents and Trademarks to revive the above-identified application.

The application became abandoned for failure to respond to an Advisory Action dated February 24, 2009. The statutory period for reply to said Advisory Action expired on June 11, 2009, six months after the Final Rejection mailing date of December 11, 2008. The entire delay in responding to the Advisory Action was unintentional and revival is requested in order to permit continued prosecution of the application.

Applicant has prepared and is submitting concurrently herewith Form PTOL-SB30, which together with the Request for Continued Examination Fee of \$810, is believed should place the application in condition for further prosecution. Revival is respectfully requested to accord time for the Office to process the RCE payment and enter the amendment.

Respectfully submitted,

Alan Michael Jaffee
